1. Has any member of the panel ever had an unpleasant experience involving law enforcement?

If so, please explain.

2. Has any member of the panel, or a relative or close friend ever been employed by a law firm or other organization which participates in the defense of criminal cases?

If so, please state their names, the type of law they practice and the location of their practice.

If a relative was or is so employed, do you often discuss their jobs with them?

3. Does any member of the panel know Henry Thomas, or any member of his family, or any friends of his, on either a personal, business, or professional basis?

If so, who, and in what capacity?

If so, are you able to put aside feelings resulting from such knowledge, regardless of whether they are favorable or unfavorable to Henry Thomas, or to any member of his family or friend of his, and decide this case solely upon the evidence?

4. Do you or any of your friends or relatives know any of the attorneys in these cases? If so, who and how?

5. Do you or any of your friends or relatives know any of the witnesses in these cases (have attorneys read a list of their witnesses)?

6. Have you or any of your friends or relatives ever had any unfavorable association or dealings with the United States Government? If so, who or what?

7. Do any of you have any physical problems which will interfere with your service as a juror, or will prevent you from reading the documents that are introduced into evidence or from hearing the testimony that will come from the witness chair?

8. Do any of you have any convictions, whether they may be moral, religious, philosophical or otherwise that would prevent you from being a fair and impartial juror in this case or that would prevent you from sitting in judgment on your fellow man?

9. Has any member of the panel ever been a juror in a criminal case before?

If so, what kind of criminal case? What was the result?

10. Has any member of the panel, or a relative or close friend, ever been the victim of a crime?

If so, what type of crime and when did it occur? Was the case prosecuted?

Regarding the case, was there anything in your dealings with the police, the court, the prosecutor or the defense lawyer that left you unhappy or unsatisfied? Please elaborate?

Did you testify?

What was the result?

Were you satisfied with the result?

11. Do all of you realize that as a juror, in your deliberations as to guilt, you must not consider any possible punishment?

12. The defendant may introduce evidence concerning his good character. Do any of you believe that a person with a good reputation could not commit a crime?
